S i r,

I have the honour to forward herewith copy of letter No.58 of 17-8-1912 received from the City Magistrate, Mysore, requesting that he may either be relieved of the duty of holding inquests in cases of unnatural deaths occuring in the city as has now been done in Bangalore, or that he may be granted a conveyance allowance. The request of the City Magistrate appears to me to be a very reasonable one.

I am not sure if Government will be prepared to extend to Mysore town the same arrangement as now obtains in Bangalore regarding the holding of inquests; but in @ case the Government are unwilling to do it I beg to recommend that the City Magistrate of Mysore be given a monthly conveyance allowance of not less @ than Rs: 40 in view of the fact that the City as of late enormously extended itself and that the City Magistrate is liable to be called upon to hold inquests at all odd hours of the day and night.

Sir

I have the honour to state that it is the practice in this city for the City Magistrate to hold inquests in cases of unnatural deaths. This duty requires that he should be ever ready to answer calls which may be made on him and interferes to some extent with his court work. The City Magistrate in the Bangalore City has been relieved of this duty of holding ~~ixqqxx~~ inquests and it is being done by the Police. I therefore request that you may be pleased to move the Government that the City Magistrate of Mysore may be similarly relieved of the duty of holding inquests or a suitable conveyance allowance of Rs 50/- a month may be sanctioned to him.
